

Michael Dickson: Curriculum Vitae

Department of Philosophy
University of South Carolina
Columbia, SC 29208 USA
E-mail: dickson@sc.edu

Education and Research Interests

B.A./B.S., University of South Carolina (1990)
Ph.D., University of Notre Dame (1995)

Dissertation: *Probability and Nonlocality: Determinism Versus Indeterminism in Quantum Mechanics*
(directed by James Cushing; examining committee: Jeremy Butterfield, Michael Redhead, James Cushing, Gordon Flemming)

Current areas of interest: philosophy of music; aesthetics; philosophy of psychiatry

Previous research areas: philosophy of science, especially physics; game theory

Academic and Administrative Appointments

2026-2027

Chair-Elect, Faculty Senate

2024-2026

Chair, University Committee for Curriculum and Courses

2023-

Director of Graduate Assessment, Department of Philosophy

2021-2022

Acting Chair, Department of Physics and Astronomy

2017-2019

Acting Chair, Department of Religious Studies

2011-2018

Chair, Department of Philosophy

2010-2013

Director, USC Consortium for Science, Technology, Environment, and Medicine in Society

2007-2010

Associate Director for Societal and Ethical Interactions of Nanotechnology, USC NanoCenter.

2004-present

Professor, Department of Philosophy, University of South Carolina

2002-2003

Visiting Professor, Department of Philosophy, Oxford University

2002-2004

Ruth N. Halls Professor of Humanities: Department of History and Philosophy of Science,
Indiana University

1998-2002

Associate Professor: Department of History and Philosophy of Science, Indiana University

1996-1998

Assistant Professor: Department of History and Philosophy of Science, Indiana University

1995-1996

Ruth N. Halls Post-Doctoral Fellow in the Humanities: Department of History and Philosophy of Science, Indiana University

Spring, 1995

Visiting Scholar: Department of Philosophy, Cambridge University

Summer, 1994 and Fall, 1994

Adjunct Instructor: Department of Philosophy, University of South Carolina

1992-1994

Visiting Student: Cambridge University, Department of History and Philosophy of Science

1990-1995

Graduate Student: University of Notre Dame

Awards, Fellowships, Grants

PI, Developing a Distributed Learning Version of P111 (\$8,000)

PI, Consortium for Science, Technology, Environment, and Medicine in Society (~\$200,000)

South Carolina Honors College Alumni of the Year (2005)

co-PI, "Nanotechnology in Society Project" (NSF NSEC Grant SES-0531160, \$1.5m)

Indiana University TERA (Teaching Excellence Recognition Award, \$1000)

Indiana University Dean's Fellow (\$10,000 per year for four years)

Indiana University Outstanding Junior Faculty Award (\$12,500)

American Council of Learned Societies Travel Grant (\$500)

Indiana University International Programs Travel Grant (\$800)

Indiana University Summer Faculty Fellowship (\$6000)

University of Notre Dame Outstanding Ph.D. in the Humanities

Mellon Foundation Fellowship

Javitz Foundation Fellowship

University of Notre Dame Presidential Fellowship

Conferences and Sessions Organized

2026 meeting of the Southern Division of the American Society for Aesthetics (‘Southern Aesthetics Workshop’, co-organized with Angela Sun)

“First Person Perspectives in the Human Sciences” (with Agnes Bolinska)

2025 meeting of the Southern Division of the American Society for Aesthetics (‘Southern Aesthetics Workshop’, co-organized with Aaron Meskin)

“Language, Communication, and Evolution” (with ChiaHua Lin, South Carolina Society for Philosophy, April 2013)

“TRiP 2013: Death – The Reality of an Idea” (with Ashley Graham Kennedy, April 2013)

BiCoDa Summer School on Measurement (with Alfred Nordman and Michael Stöeltzner, March 2012)

BiCoDa International Conference (co-organized with Alfred Nordman and Martin Carrier; 2011)

Inaugural Workshop for the Consortium for Science, Technology, Environment, and Medicine in Society (co-organized with Dan Buxhoeveden, George Khushf, and Ann Johnson, 2010)

BiCoDa First Annual Meeting (co-organized with Ann Johnson and Alfred Nordmann, 2009)

Organizational meeting and workshop for the Society for New and Emerging Technologies in Society (co-organized with Davis Baird, 2008)

Workshop on Images of the Nanoscale: From Creation to Consumption (co-organized with Davis Baird, Simon Tarr, and Chris Robinson, 2007)

Workshop on Naturalism in the Modern Period (co-organized with Matt Kisner, 2007)

Workshop on the philosophy of Michael Friedman (co-organized with Mary Domski, 2004)

PSA 2002 symposium session on the philosophy of Niels Bohr

Conference on the role of mathematics in natural philosophy, (co-organized with Nico Bertoloni Meli, 2001)

Workshop on the interpretations of quantum theory (1999)

Other Professional Activities

I have reviewed many articles and book manuscripts for numerous journals and presses, and the occasional grant proposal. I serve on various university committees, occasionally as their chair. I have held various administrative roles within the university and my department. I have served as a consultant to other universities on matters such as tenure and promotion and departmental reviews. I hold a few service roles in the broader community. Details provided on request.

Some historical service (a list left over from when I bothered to try to write these things down):

Participant, Liberty Fund Conference, “The Purpose of the University” (Atlanta, GA, 2023)

Review panelist for the National Science Foundation (2012-2015)

Editor in Chief, *Philosophy of Science* (2004-2009)

Associate Editor, *Philosophy of Science* (2000-2004)

James Cushing Memorial Prize Committee (2003-2023)

Editorial Board, *Studies in History and Philosophy of Modern Physics* (2001-2023)

Editorial Board, *Philosophy of Science* (2009-2023)

Graduate and Research Advisory Council, University of Notre Dame (1998-2001)

Panelist for the National Science Foundation Graduate Research Fellowship Program. (1999, 2001)
